ŞEHZADELER ŞEHİRİ TRABZON

4000 yıllık tarihi ile,
Roma ve Bizans dönemlerini yaşayan,
Fatih Sultan Mehmet'in fethettiği,
Yavuz Sultan Selim'in Valilik yaptığı,
Kanuni Sultan Süleyman'ın doğduğu,
Atatürk'ün büyük önem verdiği Şehzadeler Şehri,
TRABZON...

Trabzon surları Yukarı Hisar, İç Kale, Orta Hisar ve Aşağı Hisar olmak üzere üç bölüme ayrılmaktadır. **Tabakhane** ve **Zağnos** vadileri arasındaki yüksek kaya kitlesi üzerine kurulmuştur. Bu bölüm kalenin en eski bölümünü meydana getirmekte ve kaba olarak bir yamuğa benzemektedir. Şehrin adının bu **trapez (trapezius)** yamuk şeklinden geldiği düşünülmektedir.
